I am very proud of what other people are saying about me...

	<p>...Your thorough and informative report was instrumental in helping us through the task...The maintenance recommendations you gave us were also very enlightening. If you ever need a recommendation...please call on me.</p> <div style="border: 1px solid black; padding: 5px;"> <p>Sincerely,</p>  <p>Doyle Watson Landscape Superintendent</p> </div> <div style="border: 1px solid black; padding: 5px; margin-top: 5px;"> <p>Doyle Watson Landscape Superintendent Belle Meade Country Club Nashville, TN</p> </div>
	<p>...After having had so many so called "experts" fail to correctly identify the problem, we are quite relieved to finally have a real "Tree Doctor" we can count on. If you ever need a referral, please do not hesitate to call on us for support.</p> <div style="border: 1px solid black; padding: 5px;"> <p>Sincerely,</p>  <p>Jim Coffey Manager, Landscaping Services</p> </div> <div style="border: 1px solid black; padding: 5px; margin-top: 5px;"> <p>Jim Coffey Manager, Landscaping Services Wake Forest University Winston-Salem, NC</p> </div>
	<p>...I would like for you to know that many people came up to me afterwards and told me how much they enjoyed your talk...</p> <div style="border: 1px solid black; padding: 5px;"> <p>Sincerely</p>  <p>Steve Ketner</p> </div> <div style="border: 1px solid black; padding: 5px; margin-top: 5px;"> <p>Steve Ketner 1997 Education Chairman ISA Southern Chapter Charlotte, NC</p> </div>
	<p>Thank you for agreeing to speak at the UT Grounds Management Short Course...</p> <div style="border: 1px solid black; padding: 5px;"> <p>Sincerely,</p>  <p>Hubert P. ...Your emphasis on understanding basic tree biology, tree growth and maintaining the health of trees in the urban forest was especially useful... This information fits very well with our study on tree value and why we must properly maintain our urban trees.

Sincerely,

 Gary R. Bachman

...You did a great job and covered some material that we have not covered before in our earlier seminars. It was definitely time that we began to incorporate tree information into our program...

Sincerely,
